## About The Event

The 13th International Rice & Grains Tech Expo 2023 - Initiative on Grain Processing & Technology was organized by Mookambika Exhibitions from March 10th to 12th, 2023, at the Hitex Exhibition Centre in Hyderabad.

This event served as an ideal platform for all stakeholders to learn about the latest trends, technologies, and products in the grains industry. It provided an opportunity to discuss the challenges and opportunities for sector development.

This event functions as a nexus between the Grains Technology sector and the Grains industry. It provides a platform for showcasing the latest manufacturing technologies and solutions that empower not only large industries but also small and medium enterprises (SMEs) to enhance their manufacturing capabilities. The industry has experienced growth with the entry of new and prominent companies, both from India and the International arena. This expo comprehensively covers the spectrum of Rice and Grains manufacturing Machinery, along with other Essential Technologies vital for modern manufacturing.

# Inauguration Ceremony

The 13th International Mookambika Rice & Grains Tech Expo 2023's inaugural ceremony was graced by the presence of Shri Thanneeru Harish Rao, Minister of Finance, Health, Medical & Family Welfare and Shri Gangula Kamalakar, Minister of BC Welfare, Food & Civil Supplies and Consumer Affairs. The event took place at the Hitex Exhibition Centre in Hyderabad, Telangana from March 4th to 6th, 2023.
